YOU ARE INVITED

The **Clay Art Center** will be participating in the

Heart of Tucson Art Open Studio Tour on October 28 - 29, 2017

The program will be printed in ZOCALO and will be on the HOTA website.

You will find my specific section within the main program on that website.

This is a good time to meet many of Tucson's artists, look at working studios, and perhaps take home some original Tucson art.

Enjoy the demonstrations, the refreshments, and the new work in our gallery!

Come and have a wonderful day.
